## DAWN

Dawn breaks in a scarless sky.

Swiftly, silently, far distant Day  
Has crept upon

The hushed, expectant world.

World, wake from thy passiveness.

Noble actions must follow your dreams  
Ere twilight falls

Or Dawn has come in vain.

Our Dawn has fully come.

The twilight soon will fall—  
In vain?

## Class History

ALL'S well that ends well. So says Shakespeare and we. Our start in Senior High life, three long years ago was quiet and unassuming. As Sophs we were meek, inoffensive and obliging. As Juniors we became more noisy, worried the teachers, and gave a noisy account of ourselves. But oh, the changes wrought by time! As Seniors we ascended to the balcony and became proud and dignified. Battles over Queens, Football games, Basketball, Junior-Senior Banquet, and Senior day! In all we covered ourselves with glory. We have worried the teachers, pestered Jerry, cut classes and elected our Queen.

Next year we enter that honored body, the Alumni. To our teachers we leave our deepest regards for guiding our erring feet in the noble paths of learning and to the Juniors we bequeath our penny throwing, gumchewing concessions and many signs advertising the Junior Queen.

For the Sophs, God bless 'em, we have little hope, but if they survive the time honored paddle line we hope they learn to love old K. H. S. as we have.

We shall not be remembered tomorrow, for tomorrow never comes. So to all Adios!

—John Harrington.

### THE CREW OF '31

This is the good crew of '31

On the good ship Senior High.

With Russel, Virgil, and Anna Lee

You and the rest and I.

We are outward bound for distant ports

And the helmsman's steering hand

Shall guide us o'er the sea of life

Till we reach our chosen land.

The captain on the bridge keeps watch

And guards us thru the night,

His mates direct us every day

And lay our course aright

Some voyage to the port of law

And others buy or teach

But all shall know their destiny

When harbor lights they reach.

The years we've sailed together

The distant countries seen

Their mental skies above us lie

And shall forever gleam.

The storms and calms we've weathered

In friendships tried and true

Shall never die for Senior High

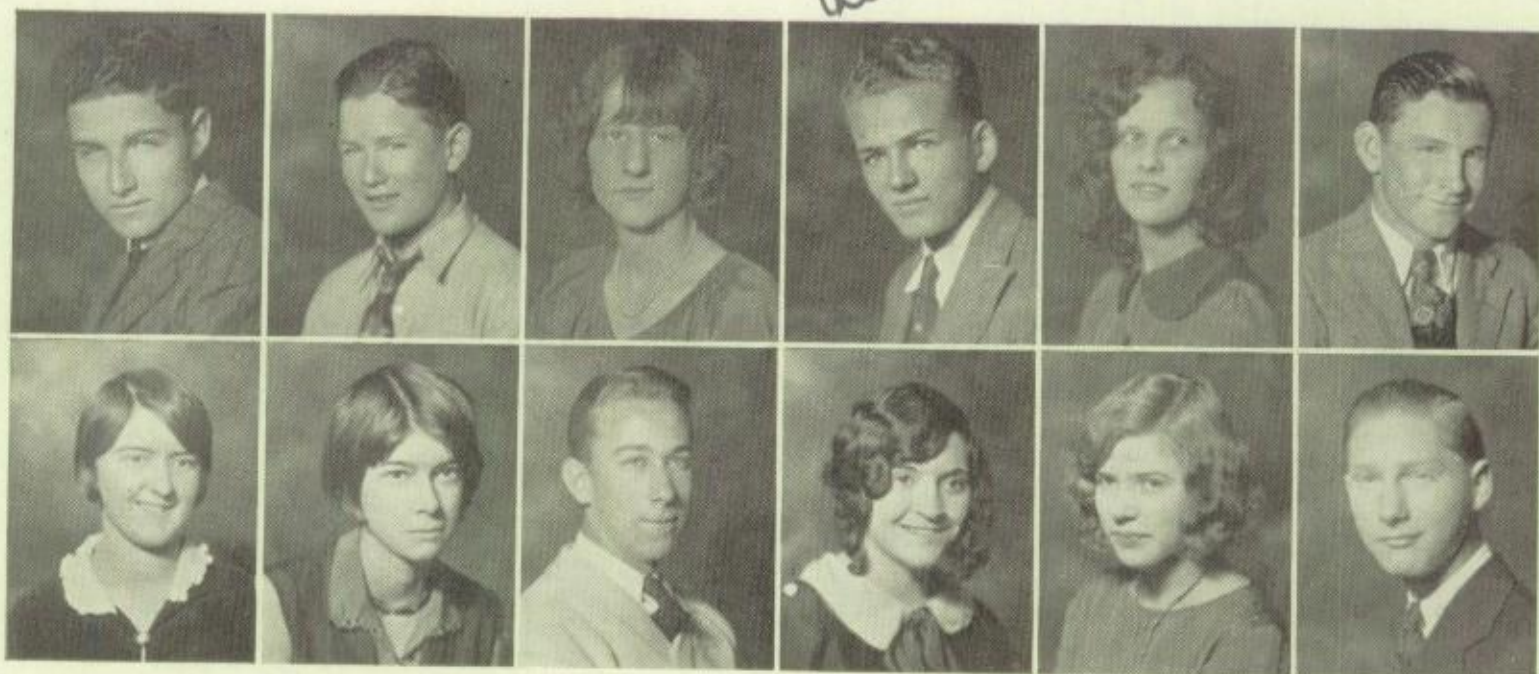

The captain and the crew.

## Class History

THE Juniors started off the year with a bang. We began by contributing several hundred licks of the belt upon the backs of the timid Sophomores. Our next conquest was to place the Sophomores on both sides of us in assembly because we feared they should be under the watchful vigilance of their older classmen. The queen contest didn't fare so well with the Juniors, but nevertheless we came out with our heads up.

We all feel that the Juniors form the cement on which to place the bricks. We are proud of the things which we have contributed to make our High School first in the eyes of the community. Our class meetings are orderly and are carried on by the class in a businesslike manner.

The last but not the least thing which we are proud of is our scholarship record. We have students in our class who will always be on the honor roll no matter where they are and we want them to know that their fellow classmen are always boosting for their success.

## THE SOPHOMORES

We are the class of Sophomores  
Treading the Highway of Life;  
Some may win in the struggle,  
Others may tire in the strife.

We love our dear Old High,  
Our teachers, kind and true.  
We prize the gift of friendship,  
Tho' the friend be old or new.

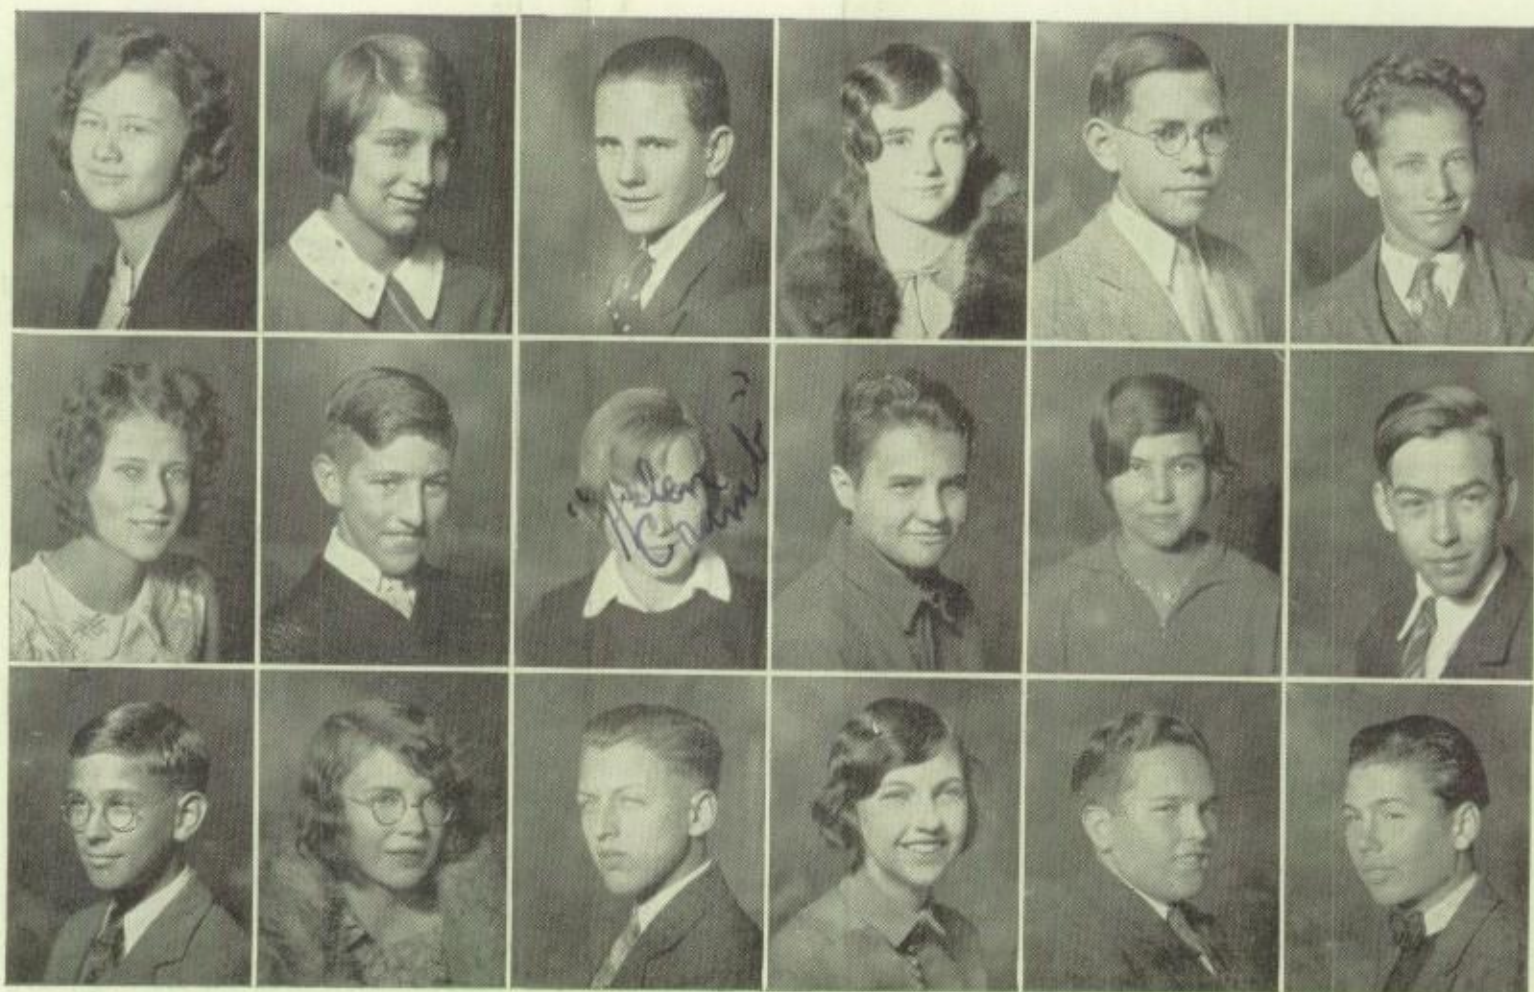

All the while we're having fun,  
And learning our lessons well,  
The one who works will surely win—  
But only time can tell.

May we cast a ray of sunshine  
Along a darkened way;  
May we lend a pleasant smile  
When others' skies seem gray.

For some the path is smooth,  
Or it may be dark as night.  
May God bless each smiling face  
And lead us in the right.

### Class History

WE, the Sophomores, have been in the Senior High School but one short year, and therefore our history is brief. If we have accomplished anything of interest or benefit to the school, we are glad to pass it on. We want to make known to you how much we have enjoyed showing you upperclassmen what co-operation means. The election of the Tigris Queen was one of the most interesting events of the year. We feel that if we hadn't been struggling under such difficulties we would have put our queen over, but even under these conditions we fed the Juniors our dust, as is the custom.

We do not feel that we have come to the Senior High School for our benefit only, but for the good of the school. We brought with us material to complete the Northeast Missouri championship basketball team for the year 1929-30. Those who attended the basketball games will tell you about the loyal support we gave to our team during the basketball season.

In conclusion, we want to leave to the next Sophomore class the feeling that their Sophomore year is not a year of toil and unhappiness but a year of pleasant associations and interesting activities.

—Harley Hunsaker.

# ATHLETICS

### Yea, Tigers!

#### LOREN STRAW

Gloppy is a Senior who has given his best to make the pep meetings a success.

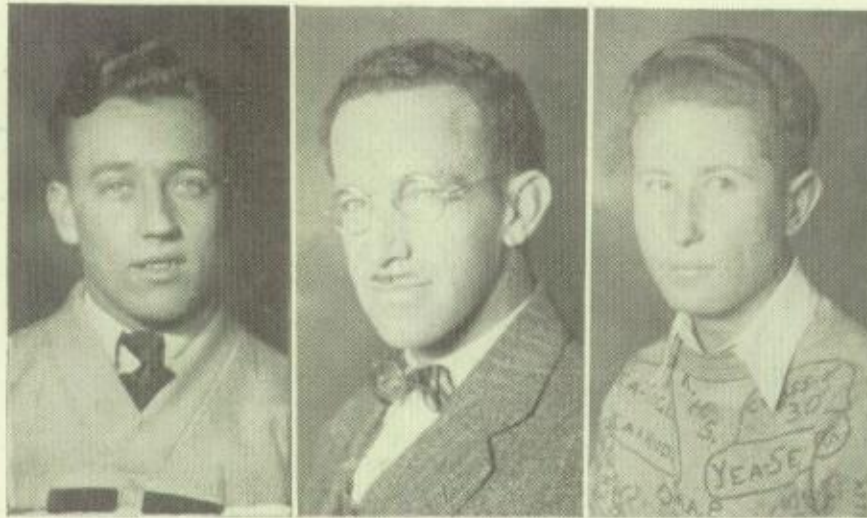

#### JACK BOHRER

Jack is the chief of our Rah-Rah boys. He has been our leader the last three years. When he calls for Smash-'em, Bust-'em, everybody gives his best. Thanks, Jack, for your good work and luck to you.

#### HERMAN HERBOTH

Herman, the success of the cheer leaders rests upon your shoulders, so give the best for next year.

### HENRY HUDSON (Capt.)

Hank was the outstanding player on the team; he was always able to fill any position when called upon. Our only wish is that he had more years to play with us. He always gave his best when going was hardest. Luck to you, Hank.

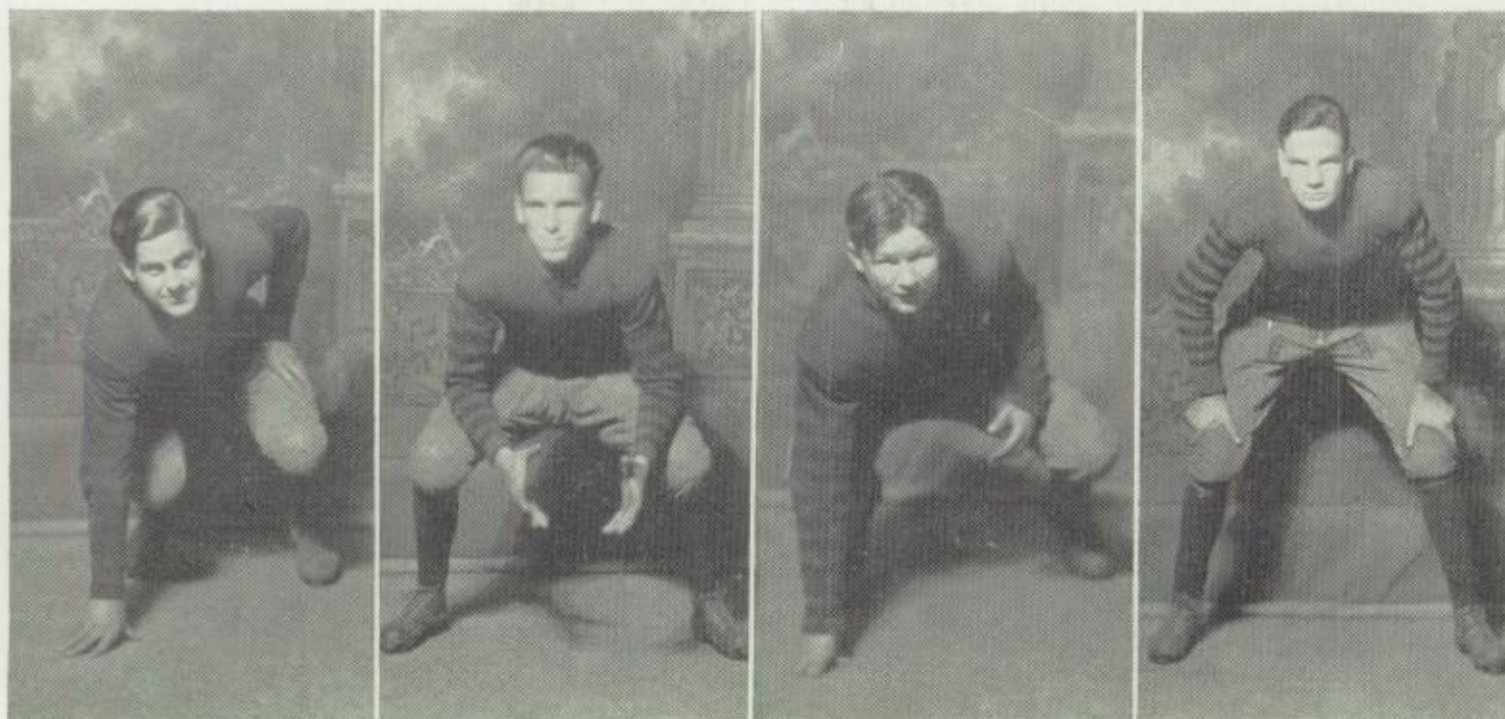

### COACH LEWIS

Coach came to us this year and made a good showing. We can expect much from his tutorage in the future. The boys were handicapped in football but made up for it in basketball.

### ELMER DIEHL (Business Manager)

Elmer was the little man and the big noise of the team. He was always one of the strongest supporters and was a great encouragement to the boys to do their best. This is his last year with us and his place will be hard to fill. Good luck to you, Elmer.

ROSCOE MARTIN—*Fullback*

Doc has been with us for three years. He is known as one of the best fullbacks of the state. When he hits they stay down. He crushes opposing lines like crushing crackers. Luck to you, Doc.

EARL HAWKINS—*Halfback*

Earl has been with us two years and has one more. He was one of the fastest men on the team, and how he could step out around that end was grief to any team. Good luck, Earl.

CHESTER ATTEBERY—*Halfback*

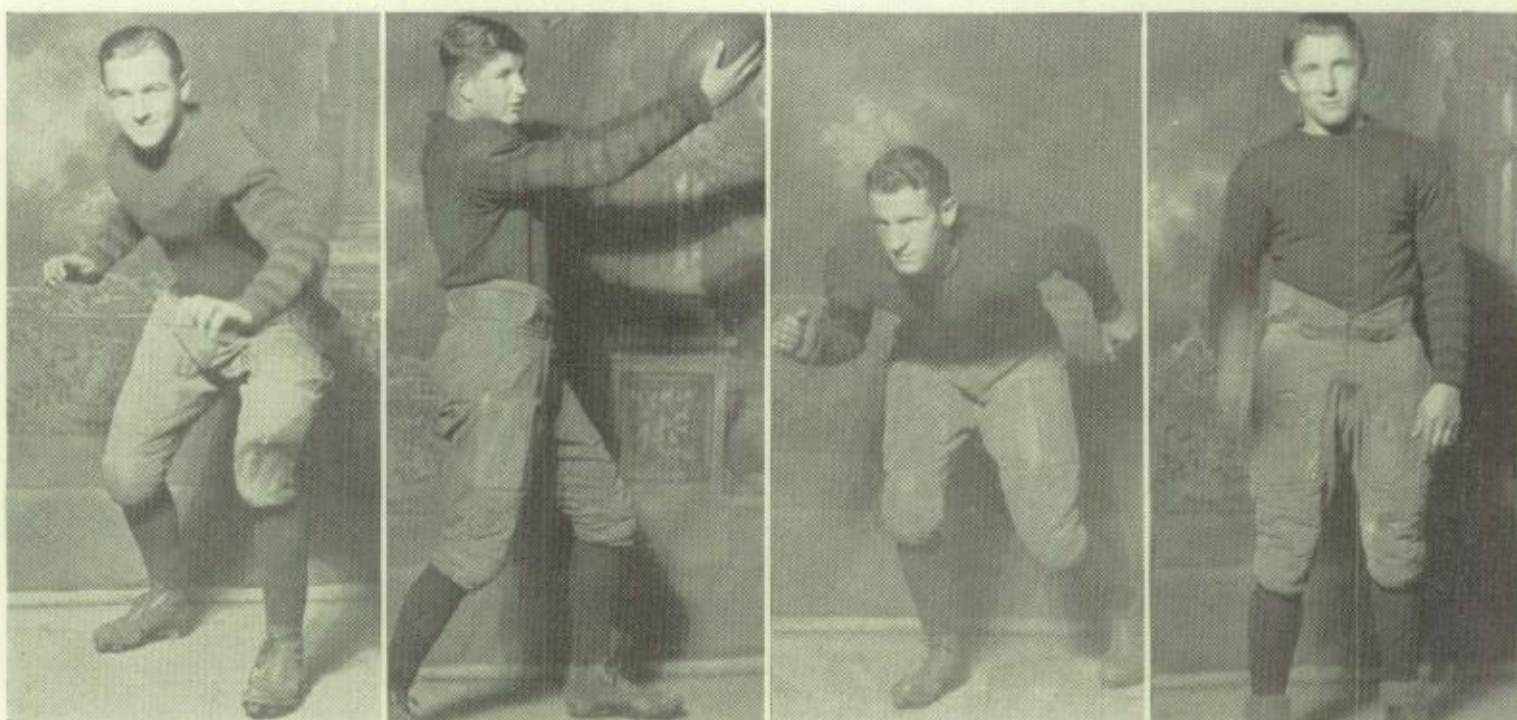

Chet was small but mighty. He was good at ball lugging and running interference. This was his first year and we are glad to have him back with us again next year. Good luck, Chet.

ROBERT LOWE—*End*

Robert played his first year with us. He has one more and should be a power in the line next year. Luck to you, Robert.

JOE VAN SICKEL—*Guard and Tackle*

This was Joe's second year with us and he has two more. Joe always got his man, so we expect to hear much from him in the future.

VIRGIL McELROY—*End*

Mack was one of the hardest men to take off his feet and was always snaring passes from the air. This is his second year with us, and he will be back next year.

WILLARD NASH—*Quarterback*

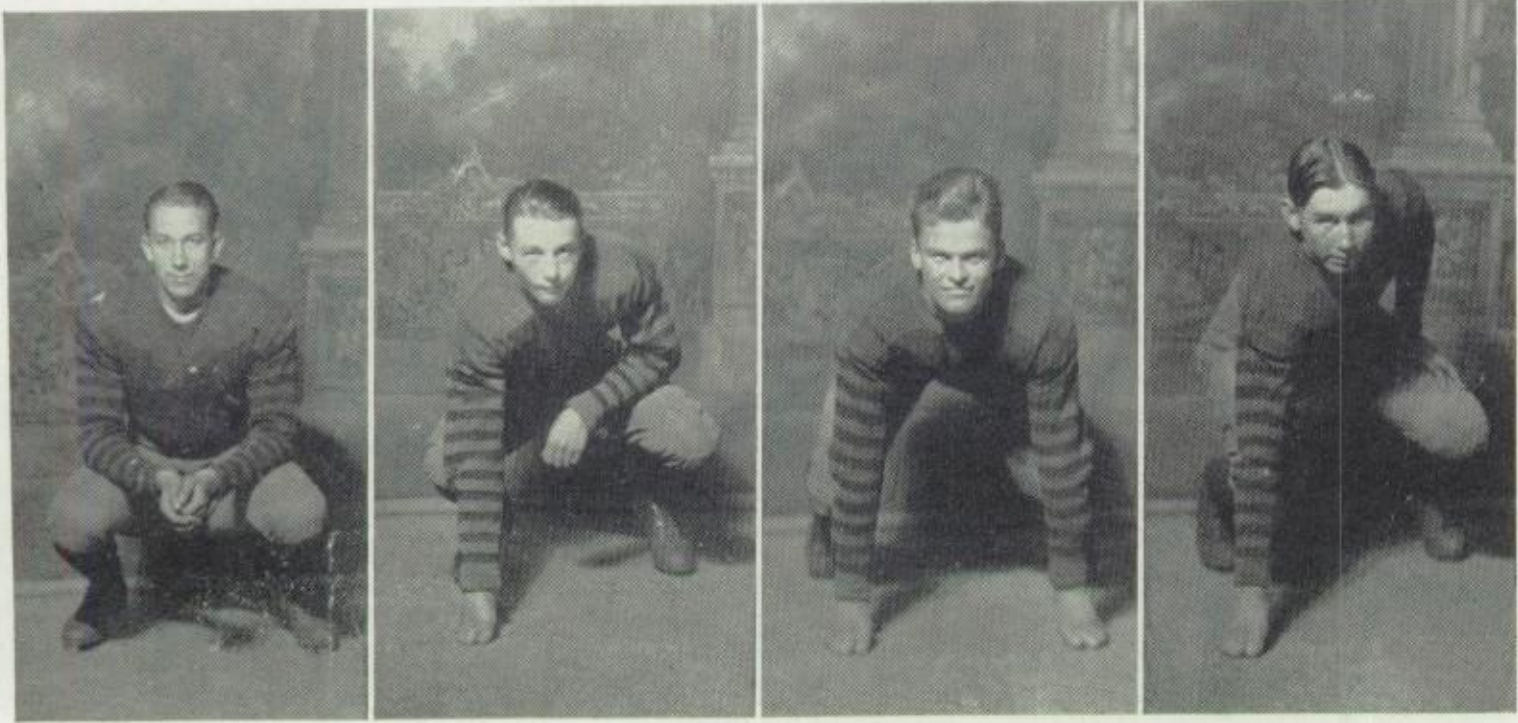

Whiskers was the sergeant of our team, always telling the boys what to do and he always told them right. This is his last year with us. Goodby and good luck, Whiskers.

FORREST WILSON—*Halfback*

This is Wilson's third and last year with us. He was the fastest man on the team and was noted for his tackling and end runs.

MYERS EGGERT—*End and Fullback*

This was Eggert's second year and he has one more with us. He was a good kicker and could catch passes. Eggert always got his man. Good luck, Eggert.

JAMES MCKINNEY—*Halfback*

This was Mack's first and last year with us. He was known as a hard hitter and good interference man. Good luck, Mack.

ROBERT MULFORD—*Tackle*

Bob made this his second year and has one more with us. Bob was a hard hitter and was in there until the last man was downed.

LEON COY—*Guard*

Coy made this his first year of football and has one more with us. Coy was the biggest man on the team. If you want to know how he tackles ask Moberly.

## The TIGRIS

### JOHN McCAMPBELL—*End*

John came to us from Shelbina and showed real tiger spirit but was handicapped by an injury. We expect much from him next year.

### RICHARD OMER—*Tackle*

This is Dick's first and last year of football with us. He was known as one of the hardest hitters on the team. Good luck to you, Dick.

### CARL NOBLE—*Guard and Tackle*

Carl came to us from the Junior High School and was one of the best men in the line. We expect much from him in athletics the next two years.

### GEORGE SALOME—*Center*

Better known to us as Mose. Did Mose like to tear up an offence? We'll tell you he did. This was his second and last year with us. Luck to you, Mose.

## Football Games, 1929

### FIRST GAME—HANNIBAL—THERE

On October 5, 1929, the Tigers played their opening game of the season with Hannibal. The final score was Hannibal, 19; Kirksville, 0. This defeat was largely due to the poor functioning of the Tiger line.

### SECOND GAME—MILAN—HERE, OCT. 11, 1929

The Tiger line made a great improvement over the first game; Kirksville succeeded in holding Milan to one first down. Our line opened a hole in Milan's line for Martin to carry the pigskin over the goal for a touchdown, but the play was declared illegal by the official in charge. The final score was 0-0.

### THIRD GAME—MOBERLY—THERE

The next game the Tigers played was on Oct. 18 against Moberly Lions. The Tigers fought the Lions in a furious battle, and the day ended with a score of 7 to 6 in favor of the Tigers. In this game the Tigers redeemed themselves for the defeat that Hannibal had given them in the first game; they won the game from Moberly who had already defeated Hannibal. Wilson and Martin starred for the Tigers.

### FOURTH GAME—UNIONVILLE—HERE, NOV. 1

Unionville was the next opponent. The score was 12 to 0 in favor of the Tigers. In this game the Tigers scored in the first quarter by a 50 yard run, which was made by Hawkins, who had perfect interference. In the second quarter Martin carried the ball for a second touchdown, which made the final score of the game.

### FIFTH GAME—CHILLICOTHE—HERE, NOV. 8

The next game of the season was with Chillicothe. Defeat fell upon our boys in this game, but the Tigers outplayed their opponents, which is indicated by the yardage. Tigers 147 yards from line of scrimmage, the Hornets 114 yards from line of scrimmage. The final score was 13-0.

### SIXTH GAME—GREEN CITY—THERE, NOV. 15

The sixth game was played with Green City. This team has always been our greatest rival and probably always will be. The Tigers were outplayed to such an extent that the final score was 33 to 0 in Green City's favor.

### SEVENTH GAME—COLUMBIA—HERE, NOV. 22

Columbia, champion of Little Ten, played the Tigers on our home field, the seventh game of the season. The Tigers put up a brilliant fight but the final score was 13 to 6 in favor of Columbia.

### EIGHTH GAME—SHELBINA—HERE, NOV. 28

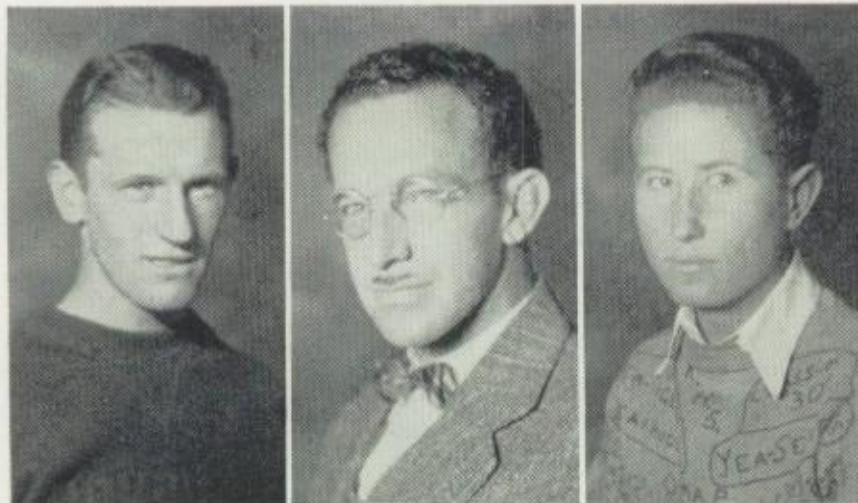

The football season ended with a tie. Shelbina played the Tigers in a heroic fashion, but both teams failed to score. Weather conditions handicapped each team from playing their standard game of football. The final score was 0 to 0.

The Tigers' next game was with Hurdland. The final score was Hurdland, 20; Kirksville, 12.

Lancaster offered the next meat for the Tigers. Score: 35-15 in favor of the Tigers.

The season's closest game was with Centerville, Iowa. The Tigers won 20 to 19.

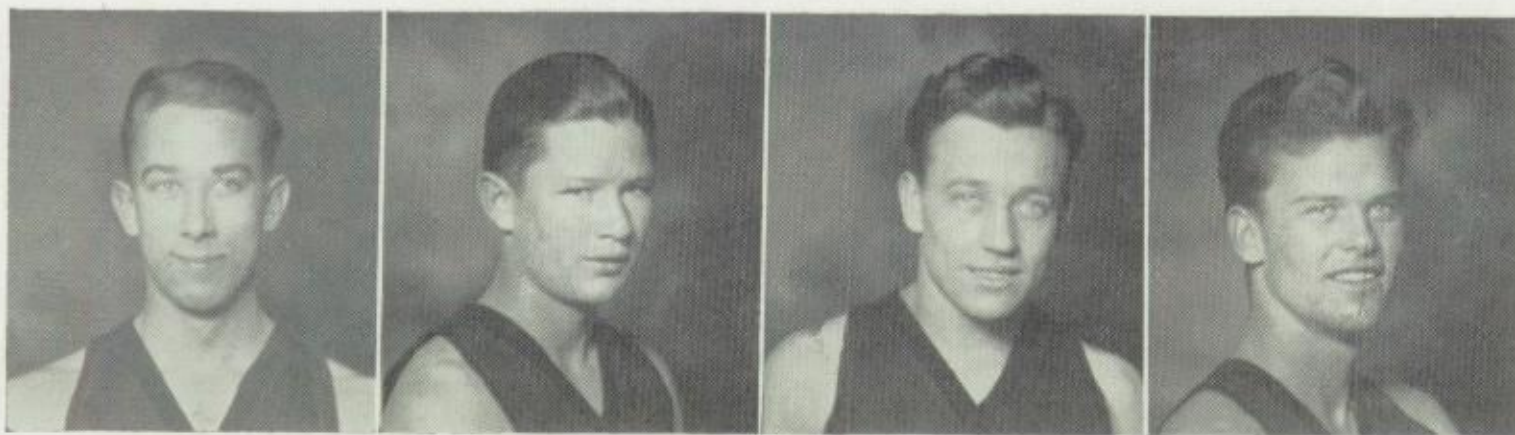

The Tigers met the Bullpups for the third time on Feb. 18, 1930. Our team was victorious by a score of 20 to 16.

On Feb. 20, the Tiger team entered the annual "C" club Tournament. They won their first two games but were defeated in the semi-finals by a score of 21-11.

After a week's rest the Tigers entered the North East Missouri Tournament held at the K. S. T. C. The Kirksville team was victorious from beginning to end, winning the last game 21 to 10.

The winning of the North East Missouri Tournament entitled Kirksville to enter the state tournament at Columbia. The Tigers lost their first game and this put them in class B. However they won the remainder of their games thus earning the Consolation Championship of the State.

### MYERS EGGERT

Myers showed the true Tiger spirit this year and was always on hand to stop a fast man. We expect much from him next year.

### CHESTER ATTEBERY

Another one of the little giants of the team. He was a constant worry to any guard. Chet was a sure scorer and a dangerous man to leave unguarded. Chet will be with us next year.

### HENRY HUDSON

Hank was just the same scrapper in basketball as in football. He was one of the strongest guards. Hank will leave us this year so we wish him luck.

### ROBERT MULFORD

Bob was one of the best men we had; he was able to play any position and play it well. Bob will be with us next year and we expect much from him.

### WARREN NASH

The other half, better known as Horny. He proved that he was mighty if small, and a worry to any guard. This is his last year also.

### LESTER HOBBIE

Hobbie was another fast flashing forward. He was a sure scorer and caused a guard much trouble. He will be with us next year to help win again.

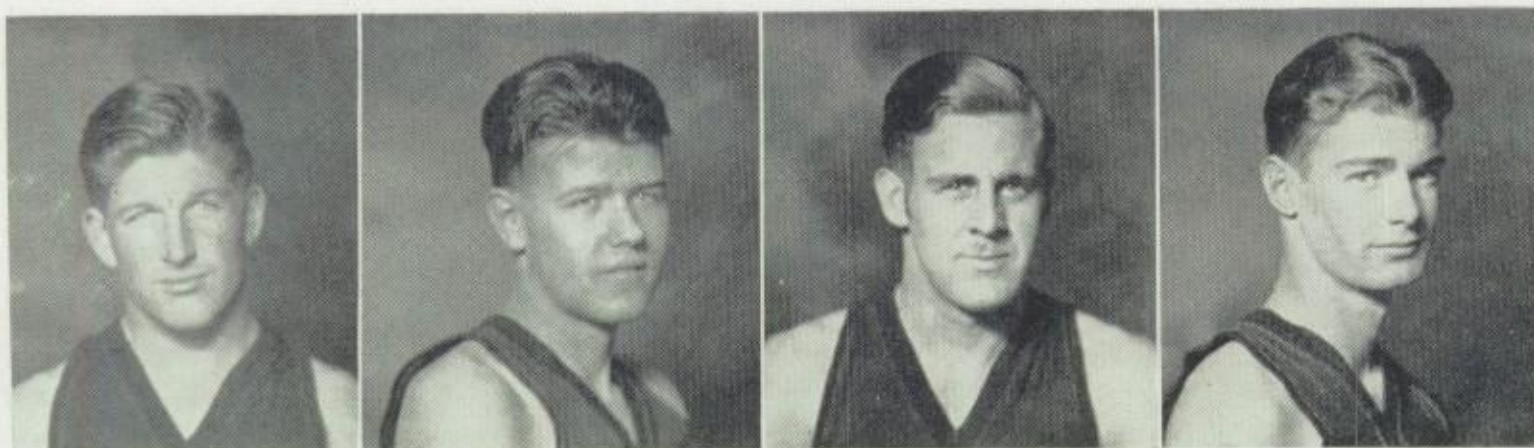

### BRUCE HUNT

This was his first year with us. Bruce was able to play either forward or guard with any of them. Luck to you next year, Bruce.

### CARL NOBLE

Carl came to us from the Junior High and proved to be another find such as Cox. He could also play any position with equal skill. Carl is with us next year, and we expect much from him.

### VIRGIL McELROY

Mack was one of the most dreaded players on our team and caused many a coach to worry. Mack was captain of the all star team. We expect even more next year, Mack.

### BERT GARWOOD

Bert is the fellow that jumps so high that the opposing center wishes for a step ladder. He could always be depended on for a much needed score.

### ROSCOE MARTIN

This was the first year for Doc but he always had the old Tiger spirit and gave the best he had. We wonder why forwards never got rough with him. Doc graduated this year and will not be with us next year; luck to you, Doc.

### ELDRIDGE COX

Cox was the find of the year. He could fill center or forward position. When pushed the hardest he was at his best. Good luck next year, Cox.

## 1929 Track Season

THERE were no meets other than the class meet and the North East Missouri meet. The Kirksville team placed second in this contest.

The men and their events were as follows:

Wilson—dashes, discus, low hurdles, broad jump.

Nash—pole vault.

Everhart—pole vault, javelin, high jump, broad jump.

Lowe—distance.

Shubert—quarter mile, half mile.

Bigsby—100 yard dash, relay.

Hawkins—440, 100 yard dash, relay.

Hills—broad jump.

Mulford—shot, discus.

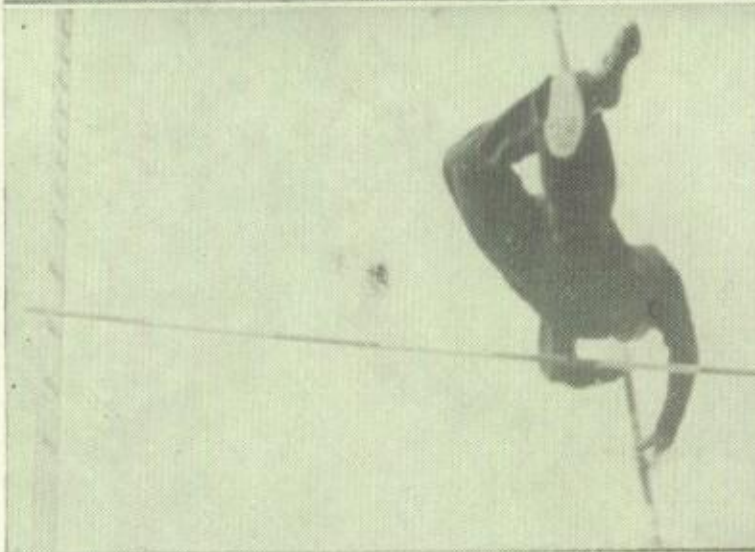

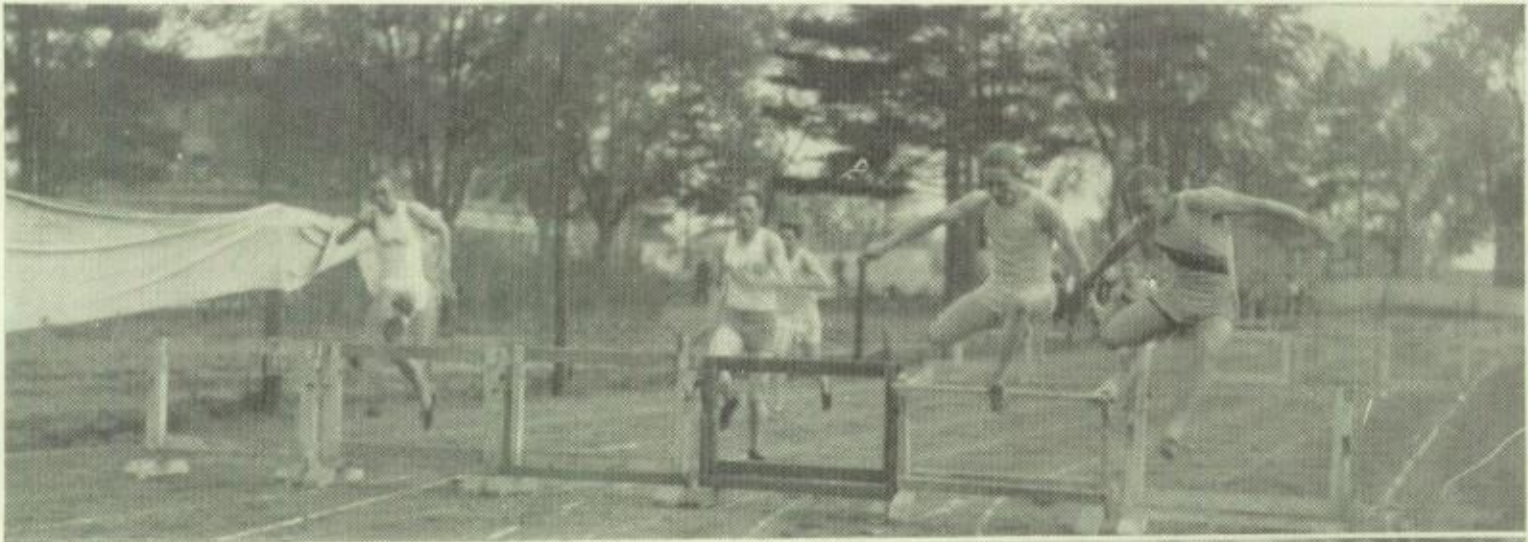

## 1930 Season

The Track team for this season had only one dual meet. This was with Milan. Kirksville won by a large score.

In the 1930 North East Missouri meet there was stiff competition which left the Kirksville team in sixth place.

## Tiger Staff

The Tiger staff has edited twelve issues of the high school paper this year. It was impossible to have a paper last year, because the money could not be raised, but this year the Tiger was financed by the activity tickets. The staff is made up of the students in the advanced Senior English class, and they have done their best to put out a successful and interesting paper.

## Debating Team

The Kirksville Senior High School Debating Team, consisting of Vera Newcum and Dale Findley, coached by Mrs. Knobbs, realized a most interesting year in this highly developed art.

The Missouri Debating League chose for this year's subject, "Resolved that the present plan of installment buying as practiced in the United States is both Socially and Economically desirable."

Our team won over Moberly twice and defeated Macon once, then in return Macon beat us once. Our final debate was with Kahoka, who defeated us, thus eliminating us from the district debate.

## Pep Club

The Pep Club has been a big help in arousing pep in K. H. S., and they have been a big support to the Football and Basketball teams. This club is limited to a membership of twenty-two, and these girls have shown the real school spirit.

The subjoined list will be recognized as the estates to which we declare the class of 1931 the rightful successor.

First: Our seats in the balcony and the class rooms. May they fill them as faithfully and with as much seriousness and dignity as we have done.

Second: The opportunity to pick up the scraps of paper and pencil stubs which we in our haste to graduate may leave behind us. You may through the use of these contract some of our great and inexhaustible intellectual ability.

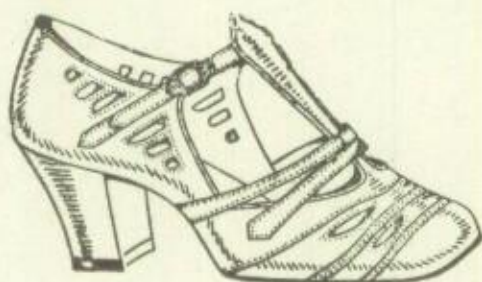

Third: We hope the Kirksville High School girls are allowed to have only six dates in a week with Osteopaths and Pedagogues, the other night being reserved for the High School boy friends.

We hereby appoint Mrs. McKasson as the sole executor of this our last will and testament.

In witness whereof, we, the class of 1930, have to this our last will and testament set our hand and seal on this, the ninth day of May, in the year one thousand and nine hundred and thirty.

The fourth year English class seemed to have left the better half of its mental equipment at home. Two letters came to class which were as follows:

Dear Mr. Wolf:

I wish to congratulate you on your splendid showing at the stock show.

Dear Mrs. XX

The girl is rather peculiar at times but won't last long.

Woody: What? The main road to La Plata open all the way?

Dick: Yes, they had to open it until they could get the detour fixed.

Miss Reid: "Why did you spell pneumatic 'n-e-w-m-a-t-i-c'".

David Stephenson: "The k on my typewriter is not working."

"Rough on Davis wasn't it?"

"Oh, what happened?"

"He slipped on a banana peel and was arrested for giving a street performance."

Miss Wynkoop: What is your idea of harmony?

Dale Findley: A freckle-faced girl with a polka-dot dress, leading a giraffe.

"He done me wrong," wailed the math problem as the sophomore handed in his test paper.

Leon Coy went to see his girl who lived on the farm. Upon looking out of the window he noticed a couple of cows rubbing noses.

"My!" exclaimed Leon, "what a loving sight. It makes me want to do the same."

Girl: "Well, they belong to father. You'll have to get his permission."

Perry Stacy (in chemistry class): I don't see how one liquid could be dissolved in another.

Loren S.: Didn't you ever mix any alcohol and water?

Henry H.: What would you say if I were to throw you a kiss?

Mona Jane: I'd say you were the laziest man I'd ever met.

Professor: And plenty of exercise will kill all germs.

Bright Student: Yes, but how are you going to make them exercise?

Mr. Beckner: Now John Rinehart, what is the shortest distance between two points?

Johnny: "Lindbergh."

Miss Hanks: What is that awful odor in this room?

Mary Eleanor: Probably the dead language.

One of the members of the Shinn Hatchery Band put his uniform to an advantage. Some guy handed him a pair of tickets in a crowded theater lobby, and before the supposed musician realized he had been mistaken for one of the snappy looking ushers, he had lost the donor in the mob. The show was enjoyed immensely by the band member and his femme. (Maybe this was Pete.)

VanSickel: "Yes, we have five more courses planned for next semester."

Willard Nash: "But won't that increase the number flunking?"

VanSickel: "Oh, no. These courses are especially designed for basketball players."

Miss Ray: Audrey, give me an example of a compound sentence using "on the other hand" for the co-ordinate conjunction.

Audrey Barb: On one hand she had a glove, but on the other hand she had none.

Alan Becker (translating): She slipped and fell into the river. Her husband rushed to the bank—

Teacher (prompting him): What did he rush to the bank for?

Alan: To get the insurance money, I suppose.

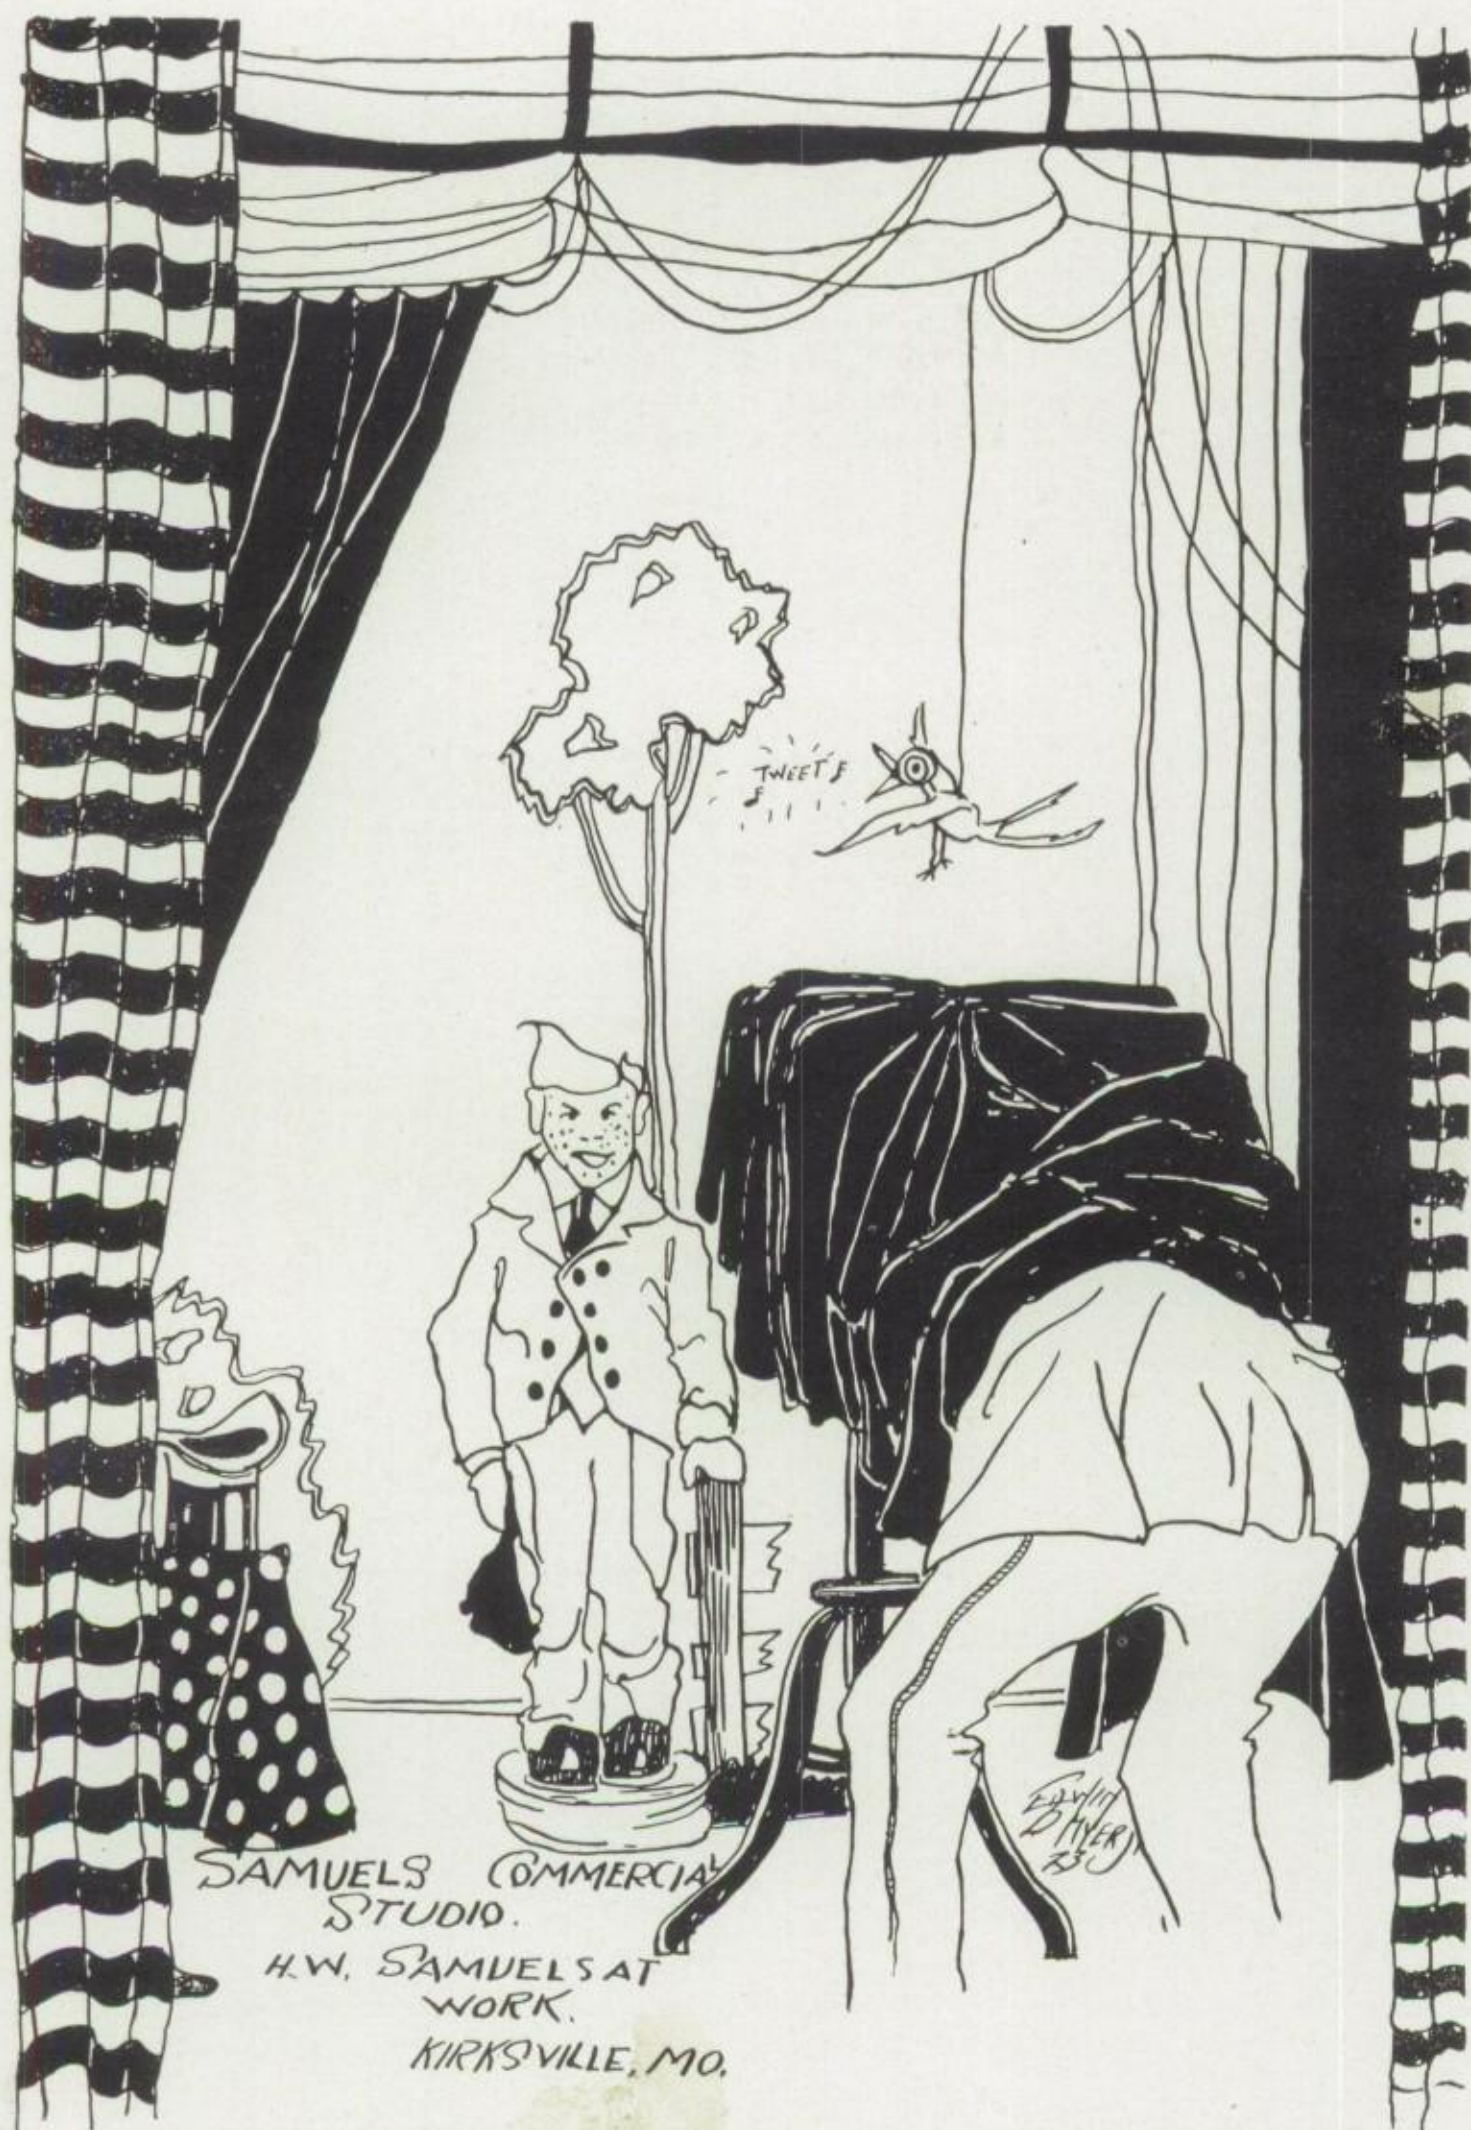

Mother of Football Hero: "My son, you are looking fine but what is that behind your left ear?"

Henry Hudson: "My right one, Mother."

She (sotto voice): Georgie dear, there's a burglar.

He: Sh-h-h, don't move. Maybe he can get that window open; it's the one we haven't been able to open since the painters left.

# EPILOGUE

The 1930 Tigris Staff hopes that this book has been enjoyed. There have been many difficulties encountered in compiling and publishing the book, and it is the sincere wish of the staff that its efforts be appreciated. We also wish to thank all the students and the Kirksville merchants who have so willingly assisted us.
